Your Denplan dental check-up

Here are just a few of the things that your dental team does while you're in the chair:

- Checks your jaw joints
- Looks at your occlusion (bite)
- Assesses you for infections
- The tongue, lips, cheek, skin are checked
- Checks you for oral cancer by feeling for lumps in the jaw, neck and throat
- Records measurements of your gums to assess for gum disease
- Examines your teeth for caries (tooth decay)
- Offers oral health advice, tailored to you

It's quick and easy to register.
